Experience

Restaurant Server

June 2017 – Present

Olive Garden | Morgantown, WV July 20

- Gained invaluable interpersonal skills and communication
- Learned how to manage and execute multiple tasks at the same time

Personal

I really enjoy spending my free time skiing, hiking, cooking, and traveling. My most surreal experience was hiking to Havasu Falls at the Bottom of the Grand Canyon. I believe in maintaining a life full of happiness and positivity no matter the situation. I am always looking for my next adventure.
